- Drill
- Phillips head screwdriver
- Measuring tape

CARE & MAINTENANCE

- Use soft cloth or sponge and mild household detergent solution to clean.
- Rinse with lukewarm or cold clean water.
- Do NOT use acetone,abrasive cleaners or other special detergents to clean the clear panels.
- Do NOT scrub with brushes or abrasive materials as it can cause damage to the surface.
- Keep roof clear of debris such as snow, leaves ect.

SAFETY ADVICE

- We strongly recommend the use of work gloves during assembly.
- Always wear shoes and safety goggles when working with extruded aluminum.
- All component parts should be checked and laid out close at hand
- Keep all small parts(screws,fixings ect) in a bowl so they do not get lost.
- Please dispose of all packaging materials and plastic bags safely - keep out of reach from children and babies to avoid risk of suffocation.
- Keep children away from the assemble area.
- Do not attempt to assemble the Canopy in windy or wet conditions.
- Do not touch overhead power cables with the aluminium profiles.
- Do not attempt to assemble this Canopy if you are tired,under the influence of drugs or alcohol, or if you are prone to dizzy spells.
- If using a step ladder or power tools ensure that you follow the manufactures safety advice.

IMPORTANT

Please read these instructions carefully before you start to assemble this Door Canopy. Please ensure that you locate all parts in the carton box and identify that it is the correct type and quantity as mentioned in the list and illustrations. Please carry out the steps in the order set out in this instruction. Do not fully tighten fixings of the frame until completing the assembly of the polycarbonate panels. Keep this instruction booklet in a safe place for future use & reference.
